

PTC ENTREPRENEURS WINNERS GLOBAL BEST PRACTICES

Inspiring Global Best Practices 22 Event

After an inspiring day of 46 Pitches in the 3 Categories Industrial Textile Services, Retail Textile Cleaning-Sme and Retail Textile Cleaning - Big, the international jury of independant PTC professionals for the 5th time chaired by Mr. G. Boettger, was able to determine the winners of all awards scheduled by the CINET Board.

Some 300 attendants and thousands of followers world wide waited until the very

last moment to learn which companies were the eventual winners of these prestigious CINET GLOBAL Awards.

The OVERALL AWARDS in the category RTC SME was for Jan's Professional Dry Cleaner from the USA. In the category RTC Big OXWASH out of the United Kingdom was selected to be the winner and in the category ITS Lavans from The Netherlands appeared to be the best.

The evaluation results from GBPAP22 International Jury

This award is presented to the entrepreneurial companies in ITS RTC- Sme RTC-BIG, because of their advanced business models and services to consumers with extraordinary marketing materials and their ability to develop new markets and business areas.

The International GBPAP Jury based the evaluation of the finalist companies upon the following criteria:

- Quality; Skills and knowledge are important to maintain professional textile care quality. A continuous quality that meets customers' expectations is of the utmost importance. Training & education and labour policy are the basic of quality.

Certification, if available, can enhance the quality approval of a professional textile care company.

- Sustainability; Implementation of best practices is the key for safe & sustainable processing. Using modern equipment, operation, optimal working methodologies enhance safe and sustainable professional textile cleaning and/or laundering.
- Business model & Service concept; Meeting customers' demands of specific markets requires a clear business model for textile cleaning & textile service companies to offer the best value proposition. The right services, contributing to the ease and convenience

of customers / end-users and fitting into the chosen business model is therefore important. Marketing is required to communicate the key message of textile cleaning / textile services.

- Innovation; The world is changing and so is the market demand, therefore innovations are important to cope with changing customer demands on quality and services, legislation and environmental requirements. What are the innovations of the textile cleaning / textile service company?
- Key-note; Own presentations, explanation, visualization and substantiating why the company should win the award.

Life Time Award 2022 for Kenneth Richard Cupitt

Lifetime Award presented by boardmember Chris Tebbs

The Life Time Award was on behalf of the CINET Board presented by Mr. Chris Tebbs to Mr. Kenneth Richard Cupitt from the Guild Cleaners & Launderers because of his long lasting and extraordinary contribution to the International Professional Textile Care Industry. For the Guild, The Worshipful Company of Launderers (WCL), CINET and many others.

He was valued for his leadership skills and dedication to sharing his knowledge and experience, as well as his tireless efforts to let the Guild stay relevant. Ken continues to provide education, information and support services to the Professional Textile Care Industry in the UK and abroad.

Special CSR Awards

Already from the beginning Corporate Social Responsibility was a topic within the Global Best Practices Awards. Modern entrepreneurship goes hand in hand with interaction with the environment and the society. To contribute and assist to those in a need is an important element of the profile of professional organisations.

In the GBPAP history companies which received the CSR Award are amongst others Orange Sky Laundry (Australia) and BIH 77 (France). Also this 5th edition there will be a CSR Award for one of the participating Official Nominees.

CSR Award winners; Drop & wash from Malaysia (online), BeePee Puretex from India and AKURATTI from Moldova
